Instructions- how to use Cloud Library

- Install the software to your computer, or mobile app to your smartphone or tablet.
- Log in to software/app with a Kansas Library Card, which can be obtained from any public or school library.
- Software/app allows you to checkout & read the book directly inside the software.
- *By clicking a book cover or title you will be directed into the platform as an alternate method to check out books. You will need the software/app to actually use the book.*
- For more assistance with setup visit: <http://kslib.info/digitalbooks>

[Digital Book eLending](#) is a service of the State Library and your local library
